 <p>What are my obligations?</p> <ul style="list-style-type: none"> ➤ You must provide us with honest, accurate and complete information, and inform us without delay of any changes in your situation. In the event of a claim, you must notify us as soon as possible.

- You must follow the claims procedure and let us negotiate, defend or settle any disputes or claims on your behalf. You'll also need to let us take legal action in your name to get back any payment we've made under this policy.
- It's really important that you're honest with us when you're buying a policy or making a claim. Providing wrong or misleading information that you know could either help you gain financially, or us suffer a financial loss, is fraud and pushes up the cost of insurance for all customers.
- In some cases, the insurer may apply an endorsement to the policy that, for example, sets out security requirements. It's really important that you follow any terms set out in endorsements, as if you don't, you may not be covered in the event of a claim. If any endorsements apply to you, these will be explained to you (or displayed on-line) before you buy, and will also be shown on the evidence of insurance you receive after you buy.
