4. If **we** receive a request to pay the claim settlement directly to a veterinary practice, **we** reserve the right to decline this request.
5. If the **veterinary fees** or the fees charged for **complementary treatment** are higher than the fees usually charged by a general or referral practice, **we** reserve the right to request a second opinion from a **vet** that **we** choose. If the **vet we** choose does not agree with the **veterinary fees** charged **we** may decide to pay only the **veterinary fees** usually charged by a general or referral practice in a similar area.
6. If **we** consider the **veterinary treatment** or **complementary treatment your pet** receives may not be required or may be excessive when compared with the **treatment** that is normally recommended to treat the same **illness** or

injury by general or referral practices, **we** reserve the right to request a second opinion from a **vet** that **we** choose. If the **vet we** choose does not agree with the **veterinary treatment** or **complementary treatment** provided, **we** may decide to pay only the cost of the **veterinary treatment** or **complementary treatment** that was necessary to treat the **injury** or **illness**, as advised by the **vet** from whom **we** have requested the second opinion.

7. **We** may refer **your pet's** case history to another **vet** in **your** local area that **we** choose and pay for. If **we** request that **you** do so, **you** must arrange for **your pet** to be examined by this **vet**.
8. If **you** decide to take **your pet** to a different **vet** or **complementary therapist** for a second opinion because **you** are unhappy with the diagnosis or **treatment** provided, **you** must tell **us** before **you** arrange an appointment with the new **vet** or **complementary therapist**. If **you** do not, **we** will not pay any costs relating to the second opinion. If **we** request, **you** must use a **vet** or **complementary therapist we** choose. If **we** decide the diagnosis or **treatment** currently being provided is correct, **we** will not cover any costs relating to the second opinion.
9. It is **your** responsibility to ensure the veterinary practice or **complementary therapist** is paid within the required time frame. If an additional charge is added to the cost of **treatment** due to the late payment of fees, **we** will deduct this charge from the claim settlement.
10. If the veterinary practice or **complementary therapist** provides a discount for paying the cost of **treatment** within a certain time frame, **you** must provide payment within this time frame. If **you** do not, **we** will deduct the discount, which would have been provided, from the claim settlement.

Important Note: The Consumer Insurance (Disclosure and Representations) Act 2012 sets out situations where failure by a **policyholder** to provide complete and accurate information requested by an **insurer** allows the **insurer** to cancel the policy, sometimes back to its start date and to keep any premiums paid.

Where **our** investigations provide evidence of fraud or a serious non-disclosure **we** may cancel the policy immediately and backdate the cancellation to the date of the fraud or when **you** provided **us** with incomplete or inaccurate information, which may result in **your** policy being cancelled from the date **you** originally took it out.

If **your** policy is cancelled or comes to an end for any other reason all cover for **your pet** will stop on the date the policy is cancelled/ends and no further claims will be paid.
