Check your registration details

It is vital that the registration mark of your motorhome is correctly shown on your policy. If this is incorrect, your motorhome may not appear on the Motor Insurance Database (MID) and this could lead to your motorhome being seized by the authorities. Please let us know immediately if your registration mark is showing incorrectly on your documents.

You can check that details held about your motorhome on the MID are correct by visiting www.askmid.com.

Introduction

We would like to thank you for taking out this insurance through Club Care Insurance Services and to welcome you as a valued customer.

In return for you paying or agreeing to pay the premium, we will provide cover under the terms and conditions of this policy for those sections of the policy stated on your schedule, up to any limits set out in your schedule. This cover will be against any unforeseen injury, loss or damage that happens during the period of Insurance and within the geographical limits, except in cases where Section D or H applies.

Your policy is based on the answers you gave on the proposal or that which is shown in a statement of fact and any other information you gave us. You must tell us of any changes to the answers you have given. It is an offence under the Road Traffic Act to make a false statement or withhold any information for the purposes of obtaining a certificate of motor insurance.

You must read this policy, the certificate of motor insurance and the schedule together. The schedule tells you which sections of the policy apply. Please check all documents carefully to make sure that they give you the cover you want.

Policy conditions

1 Keeping to the terms of the policy

If **you** or any person who claims under this policy fails to comply with any policy condition or any **endorsement**, **we** will not pay any claim where the claim is connected with the non-compliance.

2 Right of recovery

If the law of any country says **we** must make a payment that **we** would not otherwise have paid, **you** must repay this amount to **us**.

3 Other insurance

If any incident that leads to a valid claim is covered under any other insurance policy, **we** will not pay any part of the claim.

4 Taking care of your motorhome

Anyone covered by this policy must take all reasonable steps they can to protect **the motorhome**, and anything in or attached to it, against loss or damage. This includes making sure that all windows, doors, roof openings, removable roof panels or lockers are closed and locked, and the keys (or any other device needed to lock **the motorhome**) are not left in or on **the motorhome**.

The motorhome must be roadworthy and kept in good working order, this includes any on-board gas systems. **We** may examine **the motorhome** at any time.

5 Providing accurate information

Whenever **you** take out or ask **us** to make changes to **your** policy, **you** must take reasonable care to:

- Supply accurate and complete answers to all questions
- Ensure the statements declared on the **statement of fact** or **proposal** are accurate; and
- Make sure that all other information supplied to **us** is accurate and complete.

We will treat **your** policy as if it had not existed and keep any premium paid from the start date or the date that any changes were made to the policy (as the case may be) if **you**:

- Deliberately or recklessly gave **us** inaccurate or incomplete information; or
- Did not take reasonable care to give **us** accurate and complete information, in circumstances where **we** would not have issued this policy to **you** at all.

In all other cases, if **you** fail to exercise reasonable care **we** may refuse to pay all or part of a claim. If **we** would have:

- Provided cover to **you** on different terms, had **you** provided **us** with accurate and complete information, then the policy will be treated as if it had contained such terms. In such circumstances, **we** will only pay a claim if it would have been covered by a policy containing such terms.

- Provided **you** with cover under this policy at a higher premium, the amount payable on any claim will be reduced proportionately, based on the amount of premium that **we** would have charged. For example, **we** will only pay half of the claim, if **we** would have charged double the premium.

If **we** discover inaccuracies in any of the information **you** provided **us** with which would have made a difference to the premium charged, before any incident which might give rise to a claim has occurred, **we** may, at **our** discretion, offer **you** the option to pay the additional premium in return for **us** not reducing the amount payable on any future claims under the policy.

6 Changes you must tell us about

You must tell **your insurance adviser** about any of the changes below straight away. Failure to tell **your insurance adviser** about any changes to the information detailed on **your proposal, statement of insurance or statement of fact, schedule or certificate of motor insurance** may mean that **your** policy is invalid and that it does not operate in the event of a claim.

These changes may result in a change to **your** premium and/or **excess**.

Some of the changes **you** must tell **your insurance adviser** about are:

- **You** change **the motorhome** or its registration number, sell **the motorhome**, get rid of **the motorhome** or **you** get another vehicle
- **You** change **your** address or the **storage** address where **the motorhome** is kept overnight
- There is a change to the estimated annual mileage that **the motorhome** will cover

 - involved in an accident or fire, or someone steals, damages or tries to break into it
- **You** wish to change who is allowed to drive **the motorhome**

- There is any change of main user of **the motorhome**

7 Fraudulent claims

We will not pay any claim if:

- Any claim or part of any claim is fraudulent, false or exaggerated;
- Falsified documentation is submitted in support of a claim; or
- **You** or any other person who claims under this policy makes a dishonest or false statement to **us** in support of a claim.

In these circumstances, all cover will be cancelled from the date of the fraud and no premium will be refunded. If **we** have made a payment **we** would not otherwise have made **you** must repay that amount to **us**.

We may also notify relevant authorities, so that they can consider criminal proceedings.

8 Cancelling your policy

You can cancel **your** policy at any time. **You** can cancel by phoning **your insurance adviser**.

Cancellation can take effect immediately or from a later date, but cannot be backdated to any earlier date.

If cover has not yet started, **we** will refund any premium paid in full.

If cover has started, **you** will have to pay for any period of cover that has already been provided (subject to Insurance Premium Tax where applicable).

If any claim has been made in the current **period of insurance**, **you** must pay the full annual premium and **you** will not be entitled to any refund.

Cancelling any direct debit instruction does not mean **you** have cancelled the policy. **You** will still need to follow the instructions above. If **you** are paying by instalments **you** may still have an obligation to make payments under **your** credit agreement.

We or **your insurance adviser** can cancel this policy by sending **you** seven days' notice to **your** last known address. The reason for cancellation will be set out clearly in the communication with **you**.

Valid reasons include, but will not be limited to, those listed below;

- Changes to the information detailed on **your proposal**, **statement of insurance** or **statement of fact**, **schedule** or **certificate of motor insurance** which result in **us** no longer wishing to provide cover.
- Where the circumstances of a new claim, or an incident **we** have become aware of, result in **us** no longer wishing to provide cover.
- Where **we** suspect fraud on this or any other related policy.
- Where **you**, a person acting on **your** behalf, or any person covered to drive **the motorhome** uses threatening, intimidating or abusive behaviour or language towards **our** staff, suppliers or agents acting on **our** behalf, including **your insurance adviser**.
- Where any person claiming cover under this policy fails to provide **us** with any reasonable information **we** ask for.
- Where a misrepresentation has been made that results in **us** no longer wishing to provide cover.
- Where **we** are unable to collect a premium payment due to insufficient funds in the account **you** have nominated to pay from (notice will be sent to **your** last known address allowing **you** an opportunity to rectify the situation, and confirming that a second attempt to collect the payment will be made).

Policy conditions - continued

- Where **we** are unable to collect a premium payment due to a Direct Debit Instruction being cancelled (notice will be sent to **you** last known address allowing **you** an opportunity to rectify the situation by reinstating the previous Direct Debit instruction, providing a new Direct Debit instruction or by providing the full outstanding premium).

We will refund a percentage of the premium in proportion to the **period of insurance** left unused (subject to Insurance Premium Tax where applicable).

If any claim has been made in the current **period of insurance**, **you** must pay the full annual premium and **you** will not be entitled to any refund.

If **you** are paying by instalments **you** may still have an obligation to make payments under **your** credit agreement.

9 Law applicable to the contract

English Law will apply to this contract unless **you** and **we** agree otherwise. However, if **you** live in Scotland, Northern Ireland or the Channel Islands, the law of that country will apply unless **you** and **we** agree otherwise (if **you** live in Jersey, the law of Jersey will apply to this contract and the Jersey courts will have exclusive jurisdiction over disputes between **us** and **you** in relation to it).

10 Language

The contractual terms and conditions and other information relating to this contract will be in the English language.

11 Rights of third parties

This is a contract between **you** and **us**. It is not **our** intention that the Contracts (Rights of Third Parties) Act 1999 gives anyone else either any rights under this policy or the right to enforce any part of it.

Policy exclusions

- 1 **We** will not pay claims arising directly or indirectly from any of the following:
 - a **You** allowing **the motorhome** to be driven by, or be in the charge of, someone who is not described in **your certificate of motor insurance** as entitled to drive, other than while **the motorhome** is with a member of the motor trade for servicing or repair.
 - b **The motorhome** being driven, with **your** permission, by anyone who **you** know does not hold a driving licence or is disqualified from driving. However, **we** will still give cover if the person used to hold a licence and is allowed to hold one by law.
 - c **The motorhome** being driven, with **your** permission, by someone who does not meet all the conditions of their driving licence.
 - d **The motorhome** being used for a purpose that is not shown as covered in **your certificate of motor insurance** other than while **the motorhome** is with a member of the motor trade for servicing or repair.
 - e **The motorhome** being used for hiring, competitions, rallies or trials, for racing formally or informally against another motorist; or on a motor racing track, de-restricted toll road, airfield, at an off-road event or at the Nürburgring.
 - f **The motorhome** being used for criminal purposes or deliberately used to threaten or cause harm, loss or damage. An example of this would be 'road rage'.
- 2 **We** will not pay any claims if **you** receive any payment for giving people lifts in **the motorhome**, and:
 - **The motorhome** is made or altered to carry more than eight people including the driver; or
 - **You** are carrying the passengers as part of a business of carrying passengers; or
 - **You** are making a profit from the payments **you** receive.
- 3 **We** will not pay claims arising directly or indirectly from any of the following:
 - a War, invasion, act of foreign enemy, hostilities (whether war be declared or not), civil war, rebellion, insurrection or military or usurped power.
 - b Acts determined as terrorism by the UK Government.
- 4 **We** will not pay claims arising directly or indirectly from earthquakes, riots or civil disturbances outside Great Britain, the Isle of Man or the Channel Islands.
- 5 **We** will not pay for any liability **you** accept under an agreement or contract, unless **you** would have been legally liable anyway.
- 6 Any decision or action of a court which is not within the **geographical limits** is not covered by this policy unless the proceedings are brought or a judgement is given because **the motorhome** was used in that country and **we** had agreed to cover it there under Section H.
- 7 **We** will not pay claims arising directly or indirectly from **the motorhome** being in any part of airport premises to which the public does not have access to drive their vehicle.

However, **we** will provide the minimum cover needed under compulsory motor insurance legislation.

Making a claim

Call ONECALL 0870 240 1895

The claims helpline is open 24 hours a day, 365 days a year

OneCall is a first-response service with operators who can immediately confirm whether **your** policy covers **you** for the incident. Remember to save this number in **your** mobile phone so that **you** will have it available if **you** have an accident.

We may record or monitor calls for training purposes, to improve the quality of **our** service and to prevent and detect fraud.

How you should deal with claims

You must send **us** any letter, claim, writ or summons as soon as **you** receive it. **You** must also let **us** know straight away if **you** or **your** legal advisers know of any prosecution, inquest or fatal accident inquiry that might be covered under this policy.

You or any other person who claims under this policy must not negotiate, admit fault or make any payment, offer or promise of payment unless **you** have **our** written permission.

How we will deal with claims

We may:

- carry out the defence or settlement of any claim and choose the solicitor who will act for **you** in any legal action; and
- take any legal action in **your** name or the name of any other person covered by this policy.

We can do any of these in **your** name or in the name of any person claiming under this policy.

Anyone who makes a claim under this policy must give **us** any reasonable information and assistance **we** ask for.

How we will settle a claim under sections A or C

We will choose whether to repair **the motorhome** or pay **you** a cash amount equal to the cost of the loss or damage. If **the motorhome** cannot be driven because of damage that is covered under this policy, **we** will pay for **the motorhome** to be protected and taken to the nearest approved repairer.

If the motorhome is economically repairable:

If **the motorhome** is going to be repaired by one of **our** approved repairers **you** do not need to get any estimates, and repairs can begin immediately after **we** have authorised them.

One of **our** repairers will contact **you** to arrange to collect **the motorhome**. Repairs made by **our** approved repairers are guaranteed for three years.

We will also pay the costs of delivering **the motorhome** back to the address shown on **your** current **schedule** or any other address **we** agree with **you** when the damage has been repaired.

If **you** do not want to use one of **our** approved repairers, **you** will need to send **us** an estimate for **us** to authorise and **we** may need to inspect **the motorhome**. **We** reserve the right to ask **you** to obtain alternative estimates.

You will have to pay any policy **excess** direct to the repairer.

If the condition of **the motorhome** is better after the repair than it was just before it was damaged, **we** may ask **you** to pay something towards it.

The repairer can use parts, including recycled parts, that compare in quality to those available from the manufacturer.

If the motorhome is a total loss:

Once an engineer has inspected and assessed the **market value of the motorhome**, **we** will send **you** an offer of payment.

If there is any outstanding loan on **the motorhome**, **we** may pay the finance company first. If **our** estimate of the **market value** is more than the amount **you** owe them, **we** will pay **you** the balance. If **our** estimate of the **market value** is less than the amount **you** owe, **you** will have to pay the balance.

If **the motorhome** is leased or on contract hire, **we** may pay the leasing or contract hire company first. If **our** estimate of the **market value** is more than the amount **you** owe the leasing or contract hire company, the amount **we** pay them will settle the claim. If **our** estimate of the **market value** is less than the amount **you** owe, **you** will have to pay the balance.

Any payment **we** make for total loss will be after **we** have taken off any policy **excess**.

When **you** accept **our** offer for total loss, **the motorhome** will belong to **us**.

By purchasing this policy **you** agree that **we** can handle **your** claim in this way.

We have no objection to **you** retaining any private registration number providing that:

- **You** make **your** intention clear at the time of reporting the claim and prior to any settlement being agreed; and
- **You** provide details of the replacement registration number for **the motorhome** prior to any settlement being made.
- **You** transfer the private registration number to another vehicle or place it on retention with the DVLA prior to any settlement being made.

Replacement motorhome

We will not pay more than the **market value** of the **motorhome** unless:

- the loss or damage happens before **the motorhome** is a year old; and
- **you** are the first and only registered keeper of **the motorhome** (or the second registered keeper if the first registered keeper is the manufacturer or supplying dealer and the delivery mileage is under 250 miles); and
- **you** have owned **the motorhome** (or it has been hired to **you** under a hire-purchase agreement) since it was first registered as new (or **you** are the second owner if the first owner is the manufacturer or supplying dealer and the delivery mileage is under 250 miles); and
- the cost of repair is valued at more than 60% of the cost of buying an identical new motorhome at the time of the loss or damage (based on the United Kingdom list price including taxes); and
- **the motorhome** was supplied as new within the **geographical limits**.

In these circumstances, if **you** ask **us** to, **we** will replace **the motorhome** (and pay the delivery charges to the address shown on **your** current **schedule** or any other address **we** agree with **you**) with a new motorhome of the same make, model and specification.

We will only do this if:

- **we** can buy a motorhome straight away within the **geographical limits**; and
- **we** have permission from anyone who **we** know has a financial interest in **the motorhome**.

If a replacement motorhome of the same make, model and specification is not available, **we** will, where possible, provide a similar motorhome of identical list price.

If this is not acceptable to **you**, **we** will pay **you** the price of **the motorhome**, fitted accessories and spare parts as shown in the manufacturer's last United Kingdom price list, less any **excess** that may apply.
