Declaring Material and Relevant Facts

You have a duty to make a fair presentation of all material facts and circumstances to **Insurers**. Providing **Insurers** with inaccurate information or failing to tell **Insurers** of anything which may increase the risk may invalidate this policy or lead to claims not being paid or being paid in part only.

To assist **Your** understanding of which facts and circumstances are material and relevant to **Insurers**, here are some key examples:

- *Use of **Your Trailer*** - is it used for holidays, what do you transport with it. Is it rented out?
- *Storage* - is the **Trailer** stored in the **United Kingdom**? Is it in a secure area?
- *Security* – what anti-theft protections such as locks are in place to protect **Your Trailer**?
- *Safety* – what safety protections such as tyre protection or anti-snaking devices are fitted?
- *Taking **Your Trailer** abroad* – do you travel beyond **Europe** and how long are **You** abroad?
- *Convictions* – apart from motoring offences, have **You** or **Your Family** been convicted of an offence

Other facts will be shown in the **Evidence of Insurance**. If **You** believe the facts recorded are wrong or if **You** are in any doubt or require clarification of what must be declared to **Insurers**, **You** should discuss this with **Us** as soon as possible.

Maintenance and Reasonable Care

This policy does not cover maintenance of **Your** property whether such maintenance is routine or is caused by wear and tear. **Insurers** expect **You**, at **Your** cost, to maintain **Your** property in good repair, keep it secure and to take all practical steps to avoid loss or damage.

You should also take care to prevent accidents, **Injury** or disease. Please see General Condition 3).

This policy is a contract of insurance between **You** and **Insurers** by which **Insurers** agree to cover **You** in respect of the risks set out in the sections of this policy shown as insured on the **Evidence of Insurance**, subject to the terms, conditions and exclusions of this policy and in consideration of **You** paying or agreeing to pay the premium.

This policy is made up of a number of documents which must be carefully read together. If this policy does not meet **Your** needs please contact **Us** immediately.

This policy has been signed for and on behalf of **Insurers**.

Additional Exclusions

Please also see the General Exclusions that are in addition to the exclusions for this Section. Refer to the index on page 1 to find General Exclusions.

Section One - (continued)

Basis of Settlement for claims made under Section One

If **You** property suffers a **Total Loss**, **Insurers** will settle **Your** claim on a **Market Value** basis.

The point at which the cost to repair property becomes uneconomic is subject to many factors and this decision will be made solely at the discretion of **Insurers** as will the decision to carry out specialist repairs where appropriate or to replace parts. If **Insurers** decide **Your Trailer** is repairable they will pay for the appropriate repairs.

Insurers will only pay for costs **You** have actually incurred or **We** (on behalf of **Insurers**) have authorised as a result of an insured **Incident** but they will not pay more than the sums insured shown in **Your Evidence of Insurance**.

Cash Settlements

All cash settlements will be limited to the cost of property of a similar type and age less a deduction for wear, tear and depreciation.

It is very important to ensure the sums insured are adequate.

If **You** have any concerns about the sums insured, please contact **Us** for help as soon as possible. **Our** contact details are shown at the beginning of this policy booklet.

Failure to use safety or security arrangements declared to Us

An initial settlement calculation will presume that at the time of the **Incident**, the security or safety arrangements declared to **Us** were in use and operational.

If such security and safety arrangements were not in force and the **Incident** was of a type that was affected by their absence then the settlement offer will be adjusted according to whether or not **Insurers** would have accepted the risk on that basis, as shown below.

How Insurers would have viewed the risk

- 1) **Insurers** would have accepted the risk but at a higher premium
- 2) **Insurers** would not have accepted the risk

How Insurers will approach settlement

The initial settlement calculation will be reduced by multiplying it by the premium actually charged and dividing the result by the higher premium that would have been charged had **Insurers** known the safety or security arrangement was not in force.

Insurers will not pay the claim.

Proof of Ownership

In the event of a **Total Loss** of **Your Trailer**, **Insurers** will only settle **Your** claim after **You** have provided proof that **You** owned it at the time of the **Incident**. **We** recommend **You** retain any purchase receipts.

Obsolete Parts

Where new parts are needed for a repair but they are found to be obsolete or unobtainable then the claim will be limited to the last known list price of the part, together with the appropriate fitting charge.

Section Two – Loss of Use

What is covered	What is not covered
<p>If Your Trailer becomes unusable following an insured Incident under Section One Insurers will contribute towards the costs of:</p> <ol style="list-style-type: none"> 1) Hotel, motel or alternative accommodation; or, The hire of a similar Trailer to enable You to continue the holiday; and/or, 2) The cost of recovering Your Trailer to Your Home address. 	<p>Insurers will not pay for any cost that does not arise directly from an insured loss in Section One taking place whilst You are away from Home on holiday with Your Trailer.</p> <p>Notwithstanding the above, coverage is provided if You are due to depart on a pre- booked holiday with Your Trailer and repair or replacement cannot be completed by the planned departure date, You having made best endeavours to have Your Trailer repaired or replaced.</p>

Limit

The maximum **Insurers** will pay is limited to the sums insured set out in **Your Evidence of Insurance**. Within this overall limit, **Insurers** will not pay more than £250 per day.

Additional Exclusions

Please also see the General Exclusions that are in addition to the exclusions for this Section. Refer to the index on page 1 to find General Exclusions.

What is covered	What is not covered
<p>The legal liability of You and Your Family or Your legal representative for causing:</p> <ol style="list-style-type: none"> 1) accidental death, bodily injury or illness to a Third Party; or, 2) accidental damage to a Third Party's property; <p>happening during the Period of Insurance and arising from the ownership or use of the Trailer.</p> <p>Insurers will pay:</p> <ol style="list-style-type: none"> a) Damages or compensation to a Third Party for the injury or damage caused. b) A Third Party's legal costs incurred in claiming compensation from You as agreed by Insurers or awarded by a court or tribunal. c) Your legal costs for defending the claim as agreed by Insurers or awarded by a court or tribunal if incurred with Insurers prior written consent. 	<p>Insurers will not pay any costs, damages or compensation for:</p> <ol style="list-style-type: none"> 1) Liability arising whilst the Trailer is hitched to a towing vehicle, being towed or as a result of becoming detached from a towing vehicle. 2) Damage to property owned by or in the custody of You or Your Family, an employee of You or Your Family, or any person to whom the Trailer is lent. 3) Liability for which compulsory insurance or security is required for any road traffic legislation. 4) The legal liability of anyone who is not You, Your Family or Your legal representative unless:- <ol style="list-style-type: none"> a) You have notified Us and We have agreed to this extension in writing and; b) That person is using Your Trailer with Your permission and; c) That person observes, and abides by the terms of this Section.
